Any club wishing to dual register players must, prior to playing any such player, submit a Portability Transfer Request through MySideline. This transfer must be fully completed before the player can play for the dual registering club.

In accordance with QRL Rule Part 4 - a person who has reached the age of forty (40) years or is reaching that age during a Football Year and desires to participate in a Game under these Rules must provide a medical certificate or report prior to participating in any Game, training session or carnival.

### *Defaulters*

Clubs are responsible for collecting registration fees from players by 30 June of the Football Season and paying the required contribution to the League. Clubs shall not play any player who has not paid their registration fee for the Football Season. Any club who permits a player to play in matches when that player has not paid their registration fees will be deemed to have paid those fees on the player's behalf and shall carry the financial burden of the unpaid fees.

## **Competition Management**

### *Junior & Senior Competition*

Competitions will be classified as Junior (under 6 to under 18 years) and Senior (Under 19 and above) grade.

Guidelines for players in Under 6 to Under 12 Competitions inclusive are as follows:

- ⊘ Competition ladders and scores are not published.
- ⊘ No finals series.
- ⊘ No premiership trophies.
- ⊘ All teams play an equal number of games across the competition where possible.
- ⊘ Teams are structured in a fair and honest manner so that teams/players of similar ability play against each other as often as possible where clubs have more than one (1) team in the competition.
- ⊘ Teams are divided into "pools" rather than "Divisions" if applicable.

### *Nomination of Teams*

- All team nominations are to be forwarded to the local league Administration a minimum of three (3) weeks prior to the scheduled commencement of competition rounds.

### *Recommended Minimum Players to Nominate a Team/s*

For a club to nominate 1 team it should attain a minimum number of registered players:

- ⊘ Under 6 and Under 7 = 10 registered players
- ⊘ Under 8 and Under 9 = 12 registered players
- ⊘ Under 10 and Under 11 = 15 registered players
- ⊘ Under 12 to Under 18 = 17 registered players
- ⊘ Open's (Men's and Women's) = 19 registered players

### *Regrading / Withdrawal of Teams*

Any regrading that may be required will only be undertaken with the express approval of the Area Manager (or Nominee).

Teams requesting to be **dropped down** a Division after **Round 4** will be ineligible to play finals in that lower Division should that request be approved. If the regrading is approved, all opposing teams in that Division will automatically receive competition points that constitute a win. A team **promoted** to a higher graded competition will take their premiership points only and not 'For' and 'Against' points. Team being promoted to a higher graded competition will be eligible to play finals.

In those instances, where a team is withdrawn from a competition before the end of a complete competition round, all premiership and 'For' and 'Against' points associated with the matches played by the team withdrawn will be nullified.

For teams being added to the competition a 'bye' must exist in the relevant competition.

- The team nomination fee must be paid before the team will be added to the competition.
- Team insurance must be paid before the team is added to the competition (Senior teams only).
- New teams added to the U13 – U18 age group competitions will start with zero points.
- Existing teams will be awarded competition points that constitute a win for each bye they had prior to the addition of the new team.

For teams (juniors only) being withdrawn from the competition:

- A team withdrawal fee will be payable for each team withdrawn.
- Those clubs with multiple teams in a division seeking to withdraw a team will be required to withdraw the lowest graded team.
- Requests for regrading will be subject to the approval of the Area Manager (or Nominee)

### Ground Managers

### Competition Points

Competition points shall be allocated during the competition season in the following manner:

- ⊘ A win shall be allocated two (2) competition points.
- ⊘ A draw shall be allocated one (1) competition points.
- ⊘ A loss shall be allocated zero (0) competition point.
- ⊘ A bye shall be allocated two (2) competition points.
- ⊘ A forfeit received will be classified as a 'win'.
- ⊘ A forfeit declared will be penalised 1 (-1) competition points.

### Forfeits

Team Receiving Forfeit – A forfeit received will be classified as a 'win' and shall be allocated competition points that constitute a win, in addition to a 50-0 score (for/against) result.

Teams Declaring a Forfeit – A forfeit declared will be classified as a 'loss' and will be penalised one (-1) competition points, in addition to a 0-50 score (for/against) result.

Teams who forfeit for three (3) consecutive weeks or who reach a total of five (5) forfeits may receive additional fines from the local league. A letter will be issued to the club asking why the team should not be excluded from the remainder of the season.

### Cancellation, Suspension, Postponement

Area Manager must be notified of all matches delayed, cancelled, or postponed. Clubs must agree on replaying the game within 2 weeks of postponement/delay/ cancellation **to the discretion of the Area Manager**.

If an arrangement in consultation with Area Manager cannot be decided between both clubs, the game will be declared a draw and 2 points awarded to both teams and 50 points for awarded to both teams.

### Mercy Rule

All matches in the Under 13 to Under 18 competitions will have the option for the game to cease at the discretion of the coach of the losing team when there is a gap of fifty (50) points or more.

Whenever the 'Mercy Rule' results in a game finishing before the designated time this must be recorded on the match report. Enter as Disputed and add note "Mercy rule applied".

No other changes to the International Laws of the game should be made.

Scores entered in to MySideline should reflect a fifty (50) point margin and be adjusted as necessary. Recommended suggestions for the coach of the dominant team to employ to avoid an early end to the match:

- ⊘ Reduce the number of the dominant team's players on the field.
- ⊘ Return possession of the football to the opposition.
- ⊘ Try players in different playing positions.

### Finals Eligibility

- ⊘ To be eligible for any Finals Series match, a player must have **played three (3) or more Premiership fixture matches** in the current season for their club prior to the completion of the final round of fixtures as well as satisfying other applicable qualification rules. For the purposes of determining the number of games played during the season, only one (1) match in any fixture weekend will count; multiple matches in different grades on the same weekend will only count as one match. In this case the lower grade match shall count in determining qualification.
- i. All players who have met the minimum match requirement will qualify to play in the Finals Series in the division and/or graded competition where they have played most of their matches.

- ii. If a player has participated in an equal amount of premiership competition matches in multiple levels of competitions, the player shall be deemed eligible for the lower level.

### *Injury Dispensation for Finals*

### *Golden Point (Finals Only)*

1. If scores are equal at the conclusion of normal time, a 2-minute break will occur (and coin toss) prior to Golden Point / Extra Time is played.
2. Remaining Interchange Cards to be handed to official and have 2x interchange cards returned for Golden Point / Extra Time if applicable.
3. A period of Golden Point / Extra Time of 5 minutes is to be played. If a point is scored, the game is to conclude.
4. If the score remains equal after the 5-minute extra time period, teams shall immediately change ends for kick-off. Play shall continue for an unlimited time basis until the first point/s have been scored to determine the winner of the match.
5. In such Golden Point / Extra Time, the first scorer of any point or points (e.g., field goal, penalty goal or try) will immediately be declared the winner.

### *NRL On-Field Policy*

All leagues within the SEQ Region adhere to the [NRL On-Field Policy](#). Local A-Grade competitions will strengthen the rules by implementing the below for LeagueSafe trainers:

- LeagueSafes in Men's A-Grade fixtures are allowed access to the playing field:
  - When facilitating an interchange of Players,
  - When a try has been scored,
  - During a time-out called by the Referee for an injury,
  - During a drop out,
  - On three (3) occasions per half to carry messages to individual Team members when their Team is in possession
  - Each LeagueSafe will be supplied with three (3) cards for each half. On each occasion LeagueSafes must hand a card to a Ground Manager or Interchange Official prior to entering the field of play. LeagueSafes must only enter the field of play after their Team gains possession of the football and leave the field at the completion of the 4th tackle, immediately returning to the Team bench area (i.e. running) without interfering with play or running behind the opposition Team's defensive line.
- LeagueSafe must return to their team's bench area as soon as possible after fulfilling their duties on field. Must not give general messages to the Team or otherwise assist in the task of coaching (save for the carrying of messages to individual Team members) while play is progressing
- A Coach cannot act in the role of both on-field safety person (i.e. Leaguesafe, Level 1 or Level 2) and Coach during the same game. One individual is required for each role.

### *Junior Coach Positioning – Game Day*

At all times, the coach must remain at the team bench. There are exemptions for Under 6 coaches and Under 7 coaches (up till Round 4). Coaches must remain at the team bench from Round 4 in Under 7 competition and above.

### *Senior Coach Positioning – Game Day*

Coaches are permitted to view the match from the team's bench, or behind the goal posts. However, coaches are only allowed to coach only from the team bench (and not behind the goal posts). E.g., Messages must be provided from the team bench and not from behind the field. There must be always an accredited coach within the team bench.

## 3.7 Club championship points

### *JUNIOR AND SENIOR CLUB CHAMPIONSHIP POINTS*

Club championship points will be allocated for competition games only and will exclude all finals series. Club Championship points are formulated as follows:

Please note to be considered for the club championship your club must field eight (8) teams in the competition.

| CLUB CHAMPIONS<br>POINTS SYSTEM |          |
|---------------------------------|----------|
| 1 <sup>st</sup> Place           | 4 Points |
| 2 <sup>nd</sup> Place           | 3 Points |
| 3 <sup>rd</sup> Place           | 2 Points |
| 4 <sup>th</sup> Place           | 1 Point  |

Club Championship totals are achieved by adding the total points for each club after the last competition round, then dividing the figure by the number of teams a club is fielding in the competition ages groups. If a club fields a composite team, that team will be included in the total team count for both clubs.

\*Note a composite team's total club championship points will be divided evenly between the two composite clubs.
