RE: 2020 SEQ Players Ineligible to Transfer Listing – QRL Rule 4.1.6

Attached is the **2020 Players Ineligible to Transfer Listing** highlighting players affected by *QRL Rule 4.1.6*. As you are aware a Club may seek a written exemption from this Rule from the relevant Region where it considers that there are Special Circumstances (as defined in the QRL Rules). The relevant Region Manager may grant such an exemption where he or she considers in his or her absolute discretion that there are circumstances that fall within the definition of special circumstances.

The SEQ Region Board, at its November meeting, approved the amendment of the administration fee in the amount of \$200.00 (GST Inclusive) to cover any submission by a player seeking a clearance under QRL Rule 4.1.6 as a "Special Circumstances" case. Part of this fee in the amount of \$100.00 (GST Inclusive) will be refunded if the player chooses to take the option presented by the Region Manager. This fee will be effective from the opening of registrations for the 2020 season, 2nd December 2019.

Each application for clearance must be accompanied by the administration fee or the Region Manager will not consider this request. In addition, specific details must also be lodged at this time to support the consideration for a special circumstances release.

It would be appreciated if this advice could be circulated accordingly to ensure that all parties are fully aware of these revised conditions. I have attached a copy of the relevant extract of the QRL Rules covering Player Transfers.

4.1.6 TRANSFER OF JUNIOR REGISTRATION

A Junior Representative Player as defined in these rules is a player who has played at a Local League representative level or higher. This is not inclusive of school sport participation.

Please note that no player transfer will be considered until after 31st January 2020 when the appropriate competition structures and club/team affiliation process commences for the 2020 season. Please contact me if any further information or detail is required regarding the Board's decision.

Yours sincerely,

Adam Vanzanten
Region Manager – SEQ
